

The first session of the conference was held on 1st March at the main hall of the university. The session was organized by the Department of English in collaboration with the Student Union. The guest speaker for the session was a distinguished professor from a well-known university. The topic of the session was 'The Role of English in the Modern World'. The speaker discussed the importance of English as a global language and how it has become a lingua franca in various fields like science, technology, and business. He also mentioned the challenges of learning English and the need for a solid foundation in grammar and vocabulary. The session was interactive, with the speaker encouraging the audience to ask questions and share their own experiences. The event was a success and provided valuable insights into the world of English.

The second session was held on 2nd March and focused on the topic 'The Role of English in Education'. The speaker discussed the importance of English in the education system and how it has become a key factor in determining the quality of education. He mentioned that English is not only a language of communication but also a tool for learning and research. The speaker emphasized the need for students to have a good command of English to succeed in their academic and professional careers. He also discussed the challenges of teaching English in non-English speaking countries and the need for innovative teaching methods. The session was well-received by the audience, who were actively engaged and participated in several activities.

The third and final session of the conference was held on 3rd March and was dedicated to the topic 'The Role of English in the Workplace'. The speaker discussed the importance of English in the professional world and how it has become a necessary skill for many jobs. He mentioned that English is often the language of choice for international business and communication. The speaker also discussed the challenges of using English in the workplace and the need for continuous learning and improvement. He provided several tips and strategies for improving one's English skills and becoming more confident in using the language. The session was highly informative and provided valuable insights into the world of English in the workplace.
